

Open Letter from Duke (*who's he?*) to anyone that ever gets hungry.

Duke's Chowder House provides the best food I have ever eaten. Seattle Times critic, *John Hinterberger*, enthusiastically called Duke's Clam Chowder a "world class recipe."

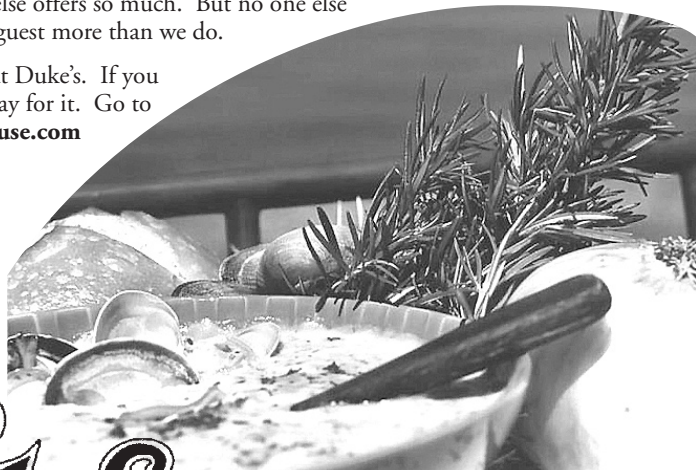

Duke's Chowder House, now open on Ruston Way, will treat you to a FREE lunch or dinner entrée but you gotta move fast. This offer is only good for 22 days. Just go to our web site, www.dukeschowderhouse.com, and join Duke's Email Club. It only takes 10 seconds to join and you only hear from me, no spam, no sale or trade of your name or email address. I honor your privacy and always will.

We're the new kid on the block and we want to earn your business. We plan on being here a long time. I love Tacoma. We want to be your "go to" restaurant for drinks, food and just hangin' out. We're the best at casual dining. So, who is this guy Duke? Along with my son John and all of our crew members, I have been doing this for over 34 years in the Seattle area. We have a long tradition of taking care of guests just like you. We've won the Clam Chowder contest so many times, they had to retire us. I'm not kidding. Our Chowders are that tasty.

... and you get another FREE dinner or lunch entrée on your birthday. You simply can't beat this deal. No one else offers so much. But no one else wants you as a satisfied guest more than we do.

I guarantee every meal at Duke's. If you don't like it, you don't pay for it. Go to www.dukeschowderhouse.com and join for FREE. Get 2 FREE dinners.

*See you
at Duke's!*
